

# Conversation Makers

Pragmatic Language Group Ages 6-12

**WHEN:** Wednesdays running from April 4th through May 23rd (8 weeks).

**WHERE:** The Pediatric Movement Center, 1045 Maryland Avenue, Hagerstown, MD 21740

**TIME:** 4:15-5:00pm

**DESCRIPTION:** *Conversation Makers* is a group for children ages 6-12 who are in need of pragmatic language therapy as it relates to Social Communication Disorders and High Functioning Autism to improve social language skills, conversational skills, and peer interactions. Using the Color My Conversation (CMC) Program, conversational lessons will be presented and built upon each other centered around opening and closing conversation, maintaining conversation, initiating conversation and non-verbal communication skills. The CMC program is multisensory in that it incorporates visual, auditory, tactile and kinesthetic strategies to teach conversational concepts. It incorporates instructional lessons and home assignments. The main focus of the CMC program will be on having “meaningful conversations.” Right from the start, children will be engaging in the “act of conversation.”

**FEES / BILLING:** Insurance billing for established PMC Speech Therapy clients available as well as self-pay options available. Out of pocket group fee is \$35 per session.

**ENROLLMENT / INFORMATION:** Call PMC during regular business hours to reserve a spot for your child. Spaces are limited to up to 6 children. Sign up deadline is March 26, 2018.
